RE: Public Records Request Regarding Use of Cell Site Simulators

Dear Mr. Wessler:

This letter shall confirm our telephone conversation last week concerning your public records request dated February 28, 2014, a copy of which is attached.

As I advised during our telephone conversation, the City of Melbourne Police Department has never acquired, nor sought to acquire, nor has it used or sought to use, any type of cell site simulator or IMSI catcher. Therefore, the City of Melbourne Police Department does not possess and has never possessed any of the records identified in paragraphs numbered 1 through 10 of your public records request.

Please contact me if I may be of further assistance. My telephone number is (321) 608-7241.

Sincerely,

A handwritten signature in black ink that reads "Suzanne N. Crockett". The signature is fluid and cursive, with the first name being the most prominent.
