Pinal County Attorney Lando Voyles announces \$188k awarded to semiannual RICO Community Outreach Funding recipients

FLORENCE, AZ (9/4/13) – Pinal County Attorney Lando Voyles announces organizations receiving RICO Community Outreach Funding from PCAO.

Racketeering Influenced and Corrupt Organizations (RICO) Funding derives from the forfeiture of money and property used or gained through criminal activities. This funding is then allocated to law enforcement agencies for use as statutorily permitted.

After taking office, Pinal County Attorney Lando Voyles formalized the process by which groups and non-profits apply for and receive RICO funding by creating a semi-annual review process. The review process ensures RICO moneys are targeted toward those organizations promoting substance abuse prevention and education and gang prevention.

Pinal County Attorney Voyles said, "To properly administer justice, we must lift up and assist victims and work to prevent further crime and victimization. By formalizing the review process for RICO applications, PCAO ensures only those programs effectively working in the prevention or education of drug abuse and gang prevention receives funding. Recipients of this funding all work in one way or another to accomplish those goals and I thank them for their dedication to improving the lives of Pinal families."
