

Connecticut Filing Status

Your federal filing status is single. Your Connecticut filing status will be the same unless your Connecticut marital status is different.

I am considered married under Connecticut's Civil Union law.

Form Not Supported

We don't support **Connecticut Civil Union returns**. To file a complete, accurate return, you can work with an H&R Block tax professional using either the H&R Block Online Office service or by going to an H&R Block office.

H&R Block's Online Office

You can work online with an H&R Block tax professional from the convenience of your home. Pricing is based on the number of forms that you'll need to file, so there will be additional charges for this service. [Click here to get a price estimate.](#)

Included in the Online Office service:

- Full-service tax preparation An H&R Block tax professional will prepare your taxes for you.
- Unlimited access to a tax professional Free, year-round tax advice from an H&R Block tax professional.
- Easy access to your tax return View or print your tax return at any time.
